FIGHT WINTER'S WRATH WITH NATURE'S BEST BEAUTY DEFENCES **By Nancy Won**

Safari and zebra-print bronzers TEYE MINERALS

Have a summer glow all winter while nourishing your skin with TEYE's all-natural, mineral-based bronzers and tints. Each bronzer compact contains a universal colour prism that blends effortlessly onto any skin tone. \$79. At The Oasis Wellness Centre & Spa. www.experienceoasis.ca

Body oil COCO VANILLA

When the cold weather hits, there's nothing better than a relaxing soak in the tub. These oils in sweet Caribbean blends are sure to take you away to the tropics while hydrating your skin—not to mention, keep your mind off the cold. \$18. At www.cocovanillagroup.com

Hand cream

JURLIQUE Chilly winds can do a number on your hands. Soothe chapped skin with this rich, non-greasy cream, packed with essential oils to bring your hands back to life. Available in two delicate scents—rose and lavender. \$32.95/40 mL, \$60.95/125 mL. At Pure + simple. www.pureandsimple.ca

Revitalizing repair cream

REN A favourite with super-model Kate Moss, this moisture-rich repair cream is high in active ingredients that banish wrinkles as well as nourishing vitamins C, A and E that boost collagen and stimulate cell renewal. \$75. At Harvest Spa, www.harvestspa.com, and 889 Yonge. www.889yonge.com

Care elixirs STELLA MCCARTNEY

Pamper your skin with revitalizing elixirs from CARE. Stella McCartney's line of organic skin-care products. These serums will give your skin the boost it needs during our cold months. \$74 each. At Holt Renfrew. www.holtrenfrew.com
