## WE LOVE IT! - MOISTURIZERS

Every time I moisturize my face with **TEYE Treatment Balancing Day Lotion (\$65)**, it reminds me of my first facial at Oasis Wellness Centre and Spa in Toronto. The lotion is calming and cooling, like a spa treatment, but in the comfort of my own bathroom! And, the lotion contains natural fennel extract, which adds moisture to my usually dry, sensitive skin, without leaving it feeling oily or greasy.o
