TORONTO WILL RELAX, RELEASE AND REVIVE WITH THE ARRIVAL OF CANADA'S LARGEST AND MOST REMARKABLE DAY SPA – THE OASIS WELLNESS CENTRE AND SPA

23,000 square foot urban retreat will offer unparalleled selection of holistic treatments, products and resources designed to reconnect mind, body and spirit

TORONTO, ONTARIO – January 30, 2007: **The Oasis Wellness Centre and Spa**, a 23,000 square foot urban retreat nestled in the heart of Toronto's historic Distillery District, will open its doors to the public on Saturday, February 3rd, 2007.

Canada's largest wellness centre and day spa will offer an array of unparalleled natural based treatments, products and resources including:

- **aesthetics** (e.g. facials, manicures, pedicures)
- **registered therapies** (e.g. craniosacral therapy, massage therapy, hot stone therapy)
- **alternative wellness** (e.g. body wraps, Oasis essential therapy, reflexology therapy)
- **3 couples' treatment rooms**
- **5 unique and welcoming Relaxation Rooms**
- **34 treatment rooms** (including 3 couples' rooms)
- **65 service stations** including pedicure and manicure stations, TEYE Minerals make up booths
- a remarkable **\$99 Experience Oasis Passport** annual membership program that affords guests preferred pricing on all products and services and the opportunity to collect *Wellness Rewards* redeemable for bonus services, spa treatments, products from Oasis' resource centre and gift certificates.

The Oasis Wellness Centre and Spa will incorporate **the healing power of touch** to deliver both current and traditional healing techniques.

To create the environment for Toronto's leading health and wellness resource, The Oasis Wellness Centre and Spa has partnered with renowned architecture firm, E.R.A. Architects Inc., and interior design consultants, Figure3. The design integrates living history, The Distillery District, and inspires guests to disconnect from the outside world in order to take time to rejuvenate with **modern features and amenities, including specially designed treatment rooms and a soaring and spacious welcoming area.**

A **stand alone resource centre** (1,800 square feet) will offer guests a convenient way to access **TEYE Minerals and TEYE Treatment products, Oasis' custom manufactured natural based mineral make up and skin care collections.** In addition, guests will also be able to find the latest in health and wellness publications, home care remedies, CD's and a vast array of wellness products to suit every lifestyle and wellness choice.

ABOUT THE OASIS WELLNESS CENTRE AND SPA:

Founded in 1998 in Calgary, Alberta, The Oasis Group established The Oasis Wellness Centre and Spa (Calgary) which remains Western Canada's premiere wellness resource and spa destination.
